

VT-WFU School of Biomedical Engineering & Sciences Request for Independent Study (BMES 5974)

Independent Study Form must be submitted to the SBES Graduate Coordinator no later than the first day of the academic semester. Independent study courses allow students to pursue subject matter in areas for which there are no approved formal courses. Independent study courses generally involve extensive reading and tutorial sessions with a faculty member who is not the student's advisor. The subject of Independent Study is a continuation in greater depth of a topic covered in a regular course, allowing students to study topics of particular individual interest.
